

Donate Your Boat!

Our mission is to enrich the lives of people through free fishing and boating excursions that strengthen communities build relationships and create memories!

Founded in 2002, Let's Go Fishing has expanded across Minnesota and Wisconsin with 28 different chapters serving over 130,000 people in the last 13 years.

The impact of Let's Go Fishing goes far beyond a day on the lake, these trips reduce depression and promote the overall health of our senior, youth, and military veteran guests. Let's Go Fishing is also working with kids to introduce fishing as a healthy and wholesome lifelong activity. The organization is teaching youth participants' healthy and active habits, fostering appreciation for the outdoors, and nurturing positive and influential relationships with adult mentors.

Over 130,000 people served
2,300 volunteers

HOW TO DONATE

If you are interested in making a donation, please contact Let's Go Fishing at our toll free number: 1-888-235-8448.

We will make arrangements to accept or pick up your donated items. Let's Go Fishing will issue a receipt for your donation so you may claim the amount on your tax return.

Your contribution will help us expand our organization and continue to enrich the lives of thousands of seniors, youth, and military veterans through free fishing and boating excursions.

Your support is greatly appreciated!

For our youth, senior, and military veteran participants alike, Let's Go Fishing trips are a highlight of their summers!
