

Let's Go Fishing

A 501(c)3 non-profit organization

Calling All Volunteers

Our Mission

Let's Go Fishing is a 501c3 non-profit organization dedicated to enriching the lives of individuals through fishing and boating excursions that strengthen communities, build relationships and create memories.

Our Vision

To develop a network of chapters and volunteers working together to serve seniors, veterans, youth and the disabled throughout the region and ultimately the entire country.

Join Our Team

A strong volunteer base is the core strength of LGF. Volunteers contribute time and expertise to help create memories for program participants. All LGF volunteers are well-trained individuals who have a passion for fishing and boating and a caring heart for the people they serve. They have a desire to share the outdoor experience with others and to create a community that cares for all its citizens.

We believe in the power of volunteerism to positively impact the lives of others and transform communities. Giving back to others serves our guests and enriches the lives of those sharing their skills, experience and time.
